SUMMER READING PROGRAM 2025

Art and Creativity Start at YOUR Library!

The Livingston Parish Library's annual Summer Reading Program is officially underway, giving book lovers of all ages the chance to win prizes for reaching reading milestones and attending LPL programs!

This year's theme is **Color Our World**, in celebration of the countless ways art and creativity enrich our lives.

From exciting challenges to themed performances, events, and workshops, our Summer Reading Program is designed to spark your imagination and enhance your reading experience. Together, let's make this summer a masterpiece of memories!

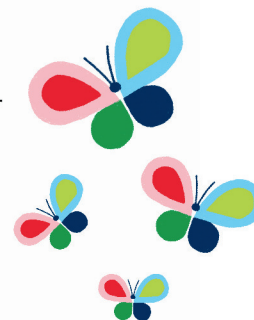

HOW TO PARTICIPATE

Signing up is easy and can be done on the Library's Beanstack page! Register by going to your local library or visiting www.mylpl.info/SummerReading.

The Summer Reading Program is broken into four age groups:

- Read-to-Me (Ages 0-5)
- Youth (Ages 6-11)
- Teens (Ages 12-18)
- Adults (Ages 18 and older)

Once you've created a Beanstack account, log the books you read and events you attend. Claim your prize once you've completed your reading challenge, but keeping reading and logging more books to better your odds for our grand prize drawings!

WHAT'S AHEAD

With more than 300 events planned for this summer, we have a full slate of entertainment lined up!

Some of our featured performers and presenters include LA Snake ID, the Crescent Circus, Lady Chops, the Tri-Parish Ballet, Harvey Rabbit, Nature on the Geaux, the Youth Ballet, Wall to Wall Martial Arts, and Red Stick Spice Company.

We'll also have escape rooms, DIY classes, art workshops, gardening programs, food demonstrations, book clubs, and much, much more!

Check out the inside of the Summer Newsletter for our full calendar of events.
