

How to Use hoopla® KIDS mode

The screenshot shows the Hoopla website interface for Livingston Parish Library. At the top, the navigation bar includes the Hoopla logo, "MY HOOPLA", "BROWSE", a search dropdown menu with "Everything" selected, and a "KIDS ON" button highlighted with a red square. Below the navigation bar, the page title "Livingston Parish Library" is displayed. The main content area features a "My hoopla" section with a "hoopla Kids Mode" toggle set to "ON". A message states, "A kid friendly setting for finding video, music, and books. You can borrow 10 more titles this month." Below this is a "Recommended For You" section with six items: "Moana (Original Motion Picture...)", "Diary of a Wimpy Kid: Diper Overlöde", "The Lion, the Witch and the Wardrobe", "The Pigeon Finds a Hot Dog!", "The Smart Cookie", and "The Ballad of Songbirds and Snakes". A "Popular Ebooks" section is also visible at the bottom.

KIDS Mode is a discovery tool to find family-appropriate content.

Activate KIDS mode by clicking the KIDS mode button in the upper right of the main menu bar at the top of your screen.

To **deactivate** KIDS mode, click the KIDS mode button again. This reinstates normal searching functions.
