MOBILE HOTSPOT REMINDERS

- Mobile hotspots may be checked out from or returned to any branch.
- Mobile hotspots can be checked out for one week.
- Mobile hotspots cannot be renewed or placed on hold; Patrons who live at the same address cannot check out a mobile hotspot within four weeks of its last return.
- Please return the mobile hotspot to the library if it is not working or will not connect within 24 hours of check out. Our staff will be able to issue you another hotspot, if one is available. The library is unable to extend a loan period for a device that works intermittently while in a patron's care.
- Mobile hotspots should be kept in a temperature-controlled environment at all times. Do not leave it in your car.
- The borrower must protect the mobile hotspot from all liquids.
- The borrower is responsible for all costs associated with loss or damage to the mobile hotspot.

The mobile hotspot will be deactivated the morning after its due date. If the device is not returned within 10 days of the due date, the borrower will be charged the full replacement cost.

CHARGING THE MOBILE HOTSPOT

1. Connect the USB end of the QuickCharge charger into the charging port of the mobile hotspot.
 2. Plug the other end of the wall charger into the appropriate electrical outlet.
- It normally takes three hours to fully charge the mobile hotspot battery.
 - When fully charged, the mobile hotspot battery has up to 24 hours of life.
 - Battery life discharges more rapidly as additional devices access the mobile hotspot.
